Dear Mrs. Lefei Wu,

How are you? We had a great time during our visit of the Dutch delegation to Fujian in the period of 14th till 21st October 2013.

I am pleased to hear that you want to visit our city of Heerlen with a group of potential investors in the period of 19 April until 2 May 2014.

I would like to welcome you and your delegation to find out the huge logistic and investment opportunities in Heerlen/Parkstad. We'll support you in your investor process and investor project and other government cooperation.

The whole program during your visit will be organized by Mrs. Jing Lin, representative of the firm Anbio BV. The program for your visit is included in Attachment 1. Furthermore you can find your hotel reservation in Attachment 2.

Finally I would like to point out to you that both the international and local transportation and accommodation expenses should be paid by yourselves. Please make sure you have sufficient travel insurance for the whole trip.

I have understood that the following guests will be attending the delegation:
